I am also sorry that I will not be able to come to her Memorial Service, as I have a family situation here. “ Ron, Holly, Jamey, Jody and your families, as well as Ed & Todd....I don't know what to say. Our thoughts and prayers have been with you the past several days and will continue to be with you.

What a great cousin Linda was! Although I was younger, she taught us the latest dance moves, let us listen to her music and hang out in her room. She had that great laugh, much like Aunt Ruth, that made you smile and laugh along with her. I feel so fortunate we were able to spend so many weekends together as we were growing up. Unfortunately, not so much during the past years as we have all moved to different areas.

I will miss her but will cherish the memories. Sending big hugs and love to all of you!!! Please let me know if there is anything at all I can do for you.
