“ Having grown up two houses from the Herdt family, I grew to appreciate them not only as neighbors, but as friends. She and Ted contributed a great deal to the Town of Torrington with their finish and decorating work on buildings and their attitude and workmanship was outstanding.
I extend my sympathies to her entire family and give my best wishes to them all.

“ My condolences to Loretta's family and to her remaining brother Kenneth. Loretta and I grew up on farms across the road from each other near Huntley back in the 1930's and 40's The Weickum family was noted for their generosity and willingness to help others. My family was much indebted to them on many occasions. Loretta illustrated those family qualities through her life. She was a special person. I appreciate having shared her friendship for nearly 80 years. May her generous spirit and warmth of personality live on in memory.
