“ Marvin and family,

We have fond memories of all of you during the time from 1976-1982 that we lived in Morrill and I worked at Chester B. Brown Bean Co. It was so nice having Marvin pop in to the bean company to pick up a load and stop in the office to talk to me. Also, it was wonderful to know that "family" was close by and we always enjoyed our visits when we stopped by your house in Torrington and Luella and you made us so very welcome. I remember one night when the kids and I got caught in a terrible thunderstorm when we had driven to Torrington to eat chicken and go to Pamida (or was it Gibson's); and I immediately knew we could come to your house and park in your covered drive. Even though it's been more than 30 years since we lived in Morrill, kind people like your family leave an indelible and unforgettable imprint on our lives.

With love to all of you at this difficult time,
