“ *To our beloved Lynette, she was always so special to me, and Max and I will always remember her taking Max under her wing, while I was in the hospital in Cheyenne. I especially remember visiting her when I was little and Grandma and Popa Hayes lived with her and Harlan, I always loved going there to see them all. May the Lord be with all of you as she will be missed.*

Our Love and God be with you Margaret and Dale and families.
