“ *My dear Marge, May God be with you in these times ahead. I am so sorry to learn of the loss of your Mother and Father both. Unfortunately, I do not take the local Telegram, so did not know that they were gone until last night... when my husband brought the paper home with him, and pointed the obits out.*

*I know what it is like to lose all your family, and be left to tend the family legacy by yourself also. It is not an easy thing, but know that you can lean on your Lord and Saviour and he will see you through! They are all above, watching over you and yours!*
