“ *She and her mother were very special ladies and the sweetest friends anyone could have. Was blessed to have known them both. Am sure her family is comforted by many precious memories and the joy in knowing how many lives she touched! Mary Hudson Jackson Welsch*

“ *I'm so sad, I missed the funeral of my mom's (Betty Holmstedt) best friend. They met in Paxton in the 60's when Dale was superintendent at my school. I moved to Torrington in 2008 and reconnected with then. Mom and Margaret remained friends all those years. She wrote beautiful letters. Mom was here in 2009 and they enjoyed visiting again. I lost Mom 3 months later. But not before Margaret made her some clothespin dolls. She was so proud of her boys. Glad to meet you boys again all grown up at your dad's 80(?) birthday here in Torrington. May she rest in peace.*

“ *My husband I always enjoyed stopping in Torrington whenever we were traveling and we were nearby. When Margaret moved to Lincoln I stopped to see her and we had the best time talking on the phone and she always let me know how much she enjoyed our conversations. She will be missed by all. “ Margaret was friends with my Dad, Jim & Mom Thelma Harrell. They all went to high school together, but it wasn't until 2012 they reconnected through Eastern Star events & Margaret & Mom became close friends. In 2021 I took Mom to see Margaret & we had a wonderful time together. They are together now, with Dale & my Dad.
