“ We have very fond memories of Marie as a constant at all the extended family gatherings always teasing the "kids", shaking her finger at them and laughing. Now she has taken her place at the eternal kitchen table with Red, Pete, George, Lydia and the rest. We miss them all and cherish their memories.

“ To Larry and Rosemary, I just learned this afternoon from my Dad of your mother's passing. Please know that my thoughts are with you both. She was a wonderfully kind lady, and you both are a tribute to her. Your visits to her at WEL-life brought joy to so many, including my Dad and myself. May your memories and time help to heal the deep sorrow of your loss.
