“ Dear Joyce and Steve
I was saddened to read about Marilyn's death. I have very fond memories of many high school escapades with Marilyn. Some of my favorite stories from growing up in Douglas include riding around in all those different cars Marilyn had to drive. We had many good times together - we laughed a lot! Jeff and I will keep you in our thoughts and prayers during this difficult time. ~ Jeff and Canda (Gentle) Warner

“ Marilyn became my friend in fourth grade, she was my best friend, all my childhood memories include her. We swam, biked, went to school and church together, we graduated together, pledged the same sorority at UW and she was my maid of honor. She had the best sense of humor, she gave to me a love of baseball, I will always remember watching World Series games at her house, the whole family watching...so many memories. She excelled at everything she tried, sewing in 4H, chemistry, and bookkeeping. I loved her dearly and always thought I would see her again and we would catch up on our lives. Today I am shocked and sad to realize that will not happen, the loss is great. My deepest sympathy to the family. Anita (Townsend) Hollon
