“ Dear Grandma,

Thank you for being so supportive no matter the situation! We sure had some fun times through the years both growing up and here in Mesa just recently. My memories of visits to the ranch, Sundays at the reservoir and trips to see plays and shows in AZ will last forever. Todd and I and the babies will sure miss you!

To the rest of the family: We are very sorry not to be able to come. Our thoughts and prayers are with you!

Love,

Julie, Todd, Nicole, Michael, Katie Marie, and Bruce

“ *Where to begin? Not enough or right words to remember Aunt Marion... but I'll try. A class lady in every sense of the word. She leaves us with so many great memories..camping in the yard as kids,riding horses,going to check the cattle and the great Christmas card/letter that kept everyone up to date. She was just so loving to all. Our memories will lead us through this tough time. She has left her print on all of us and hopefully we can embrace others with her spirit. She will truly be missed by all. Gary/Sandy Steinbach & Family*

“ I am saddened to hear of Marion's passing. I remember her so fondly as I also remember Bud.

As a child boating with my family at Springer Reservoir, Marion and Bud were always so much fun. I remember thinking these people are "cool" because they were always friendly and kind. I remember them sharing stories and Bud sharing his humor. I know Marion and Bud definitely made the Sunday outings even more enjoyable.

In later years Marion always greeted me with the same warmth and friendliness that she showed when I was a child, even after not seeing her for a long period of time. I will certainly remember her beauty and golden soul that impacted me in such a positive way throughout my life.

My thoughts and prayers go out to all of you in your great loss. Marion as well as Bud will always be a great part of my best memories and the stories that I will continue to share with my children and their families.
