“ Dear Dorothy: Our computer was down so we just learned of the death of Skeet. We both so enjoyed him - each in a different way. Roy remembers him fondly as a hospital roommate and remember both of you from the funeral home. I always so enjoyed greeting you. What a wonderful full life Skeet had and he was so fortunate to have found you again. Our thoughts are with you.

“ I have known "Skeet" both personally and professionally since the early sixties. He always wore a happy face and was a joy to know. I am sure that his bright outlook on life helped him many times in his agricultural operation over the years.
I extend my deepest sympathies to his entire family.
Sincerely,

Keith Whitney
