“ Dearest family, we are so sorry to hear of your mother's passing. Rozella was a wonderful woman and will be sorely missed. From the time that we first met you when your father managed the trail hotel and lounge with both my parents working there, we created a very strong friendship that grew over the years. There are many fond memories of Bob and Rozella and you kids that will live forever on! My thoughts and prayers will go with you. May God give you peace and strength to carry on and shall you find the comfort you desire in his bosom as he holds you tightly in his arms.
