“ To the Family of Marie Young:

Michel, Kay, Janie, Owen,

I was saddened to hear of the death of your Mom. She was one of the nicest women I ever met.

I have many fond memories of her, among which are sitting in her kitchen while she made breakfast for us and the goofy talking scale in the bathroom.

In good times as well as what I now realize were probably tough times, her sunny disposition was a constant. She always had a great sense of humor.

And she was always very kind to a young fellow who hung out in her house quite a lot.

I know that you'll all miss her and so will this no-longer-young fellow.
