“ My Deepest sympathy goes out to the Chamberlain family. I just found out Mayrene passed. I am so sorry. I have fond memories of her from when I was a young girl growing up and being best friends with Tina when we all lived in Yoder. Going to LaGrange on weekends with the family and just hanging out at the house, it was my home away from home and Jerry and Mayrene were like my second parents. God bless you all in this time of sorrow and loss. Another angel has gotten her wings for sure.

Sincerely,
Kim (Gillett) Robb

“ *My sincere sympathy to Mayrene's family and friends. She was one of the sweetest and most polite people I've ever met. Originally, I met her in a Guernsey TOPS chapter some years back. More recently I've talked to her when we met on the walking trail and her words were always positive and kind. She will be missed.*
