“ I would like to tell Mike's family how very sorry I am for their loss. Though I had not seen Mike for many years, I will always remember him as very kind, very handsome and very much a gentleman. I used to pump gas at a local gas station and he was a frequent customer. And he went to high school with my cousin, Geff Marlatt. Mike was one of my favorite customers--he was so patient. He would come in with Daniel much of the time. I liked them both very much. I would like you to know he was a special person and he is going to be missed by a lot of people. My thoughts and prayers are with you all.
