

Michael Peter Jonas

November 2, 1953 - January 30, 2026

Services for MICHAEL PETER JONAS, 72, will be held and announced at a later date. Mike passed away peacefully January 30, 2026, at the Goshen Care Center and cremation has taken place. The Colyer Funeral Home assisted the family with the cremation arrangements. Dad was a man of strong opinions, questionable jokes, and an uncanny ability to fall asleep anywhere. He had an unmatched talent for turning a single syllable into a full greeting. Aaaaaa (a grunt) was a common greeting. Dad loved fishing—not necessarily for the fish, but for the peace, the patience, and the very real possibility of telling a story about “the one that got away.” He believed fishing was less about catching something and more about having time to think, snack, and absolutely not answer unnecessary questions. And, having the opportunity to tell fishing stories of questionable accuracy to those not present. Dad is survived by daughter Angela (Nick Collins) Anderson of Coatesville, IN, son Dan (Megan) Jonas of Torrington, WY. Also surviving him are grandchildren Michael (Becky) Anderson of Torrington, WY, Tristan Anderson of Casper, WY and Barrett, Lillian, and Kanon Jonas of Torrington, WY. He was fortunate to meet his great-granddaughter, Ava Anderson of Torrington, WY and has a great-grandson on the way, Aiden Anderson. He is further survived by his mom, Dolores Jonas of Milwaukee, WI, sister Karen (Dave) Emmons of Milwaukee, WI, sister Cindy (Duggar) Kramp of Racine, WI and brother David (Laurie) Jonas of Milwaukee, WI, as well as, ex-wife Debby Jonas and many nieces and nephews. After a lifetime of bad nights, he finally

gets to have a good one. Rest easy, Dad. Tight lines forever.

“ One memory I have of my brother, Mike and Dave is how they used to swap dress up suits. One had a green one had a brown one. Special occasions, they would decide who was going to wear what.
