“ Connie, my thoughts and prayers are with you and your family. When I think of Max, I remember a wonderful sense of humor and a fierce competitor (at cards). He was always an awesome adversary. A hug from heart for you.

“*Connie and family, so saddened to hear of Mike's passing. He loved his family and had a big, caring heart. The best thing was his ornery, crooked smile and laugh after a joke he heard or told, or a prank he pulled off. He was one of the good guys.*

I am sorry to say that due to a Drs. appt for my husband in Cheyenne, at the same time as the service, I won't be able to attend. Please know my heart is with you. He had been on my mind a lot lately, and I wondered if something was wrong.
