“ Dear Wade and family,

We are sad to learn that Kay has passed away. What a wonderful doctor she was, and what a blessing to our community. God bless you and your family. Families are forever. We know you will be a family again in the eternities.

“ *Dr. Buchanan wrote my letter of recommendation for my first job at the nursing home/hospital. She helped with my stepdaughter when she was struggling. She was always so kind and caring. The friendship she shared with my grandmother, Jane Nickel, set the standard for the friendships I have in my life. Thank you Dr. B for all you did for our community. You will be missed.*

“ 46 years ago I was pregnant with my first child. Dr Buchanan felt so bad because she had given me an IUD and promised it was trustworthy. Needless to say I got pregnant and she felt so bad. I didn't feel bad because I wanted that baby and the IUD came out on my daughters forehead. She was such a wonderful, kind person who will be greatly missed.
