“ To all the Lay family.
I had the pleasure of knowing Myrtle for 10 years. She was one of the first people I met when we moved here. She had that down home goodness and friendliness that is missing in so many today. I will miss her at bingo as I'm sure many will.
Your family was truly blessed having this woman as part of it.

*My Sympathy to all of you,

“ I can remember the Lay Family when I went to school with Ed and Norma at Veteran. When my parents, Wallace and Dorothy Newton, moved to Torrington, they lived a short distance south of Mrs. Lay. I remember her helping my mother when she would have a bunch of people come in at the last minute. Mrs. Lay was always so willing to help her out. We send our sympathy to the entire family.
