“ I worked for and with Stoney for many years on law enforcement. We shared some great times. Stoney was one of a kind and a great friend. I used to tease him about retiring from the Sheriffs office just before I got elected as Sheriff .I would say “Stoney were you afraid to have me as your boss”. I can’t repeat his words here but for any of you that knew Stoney you can imagine his remarks! Rest in Peace my friend “until we meet again”. Scotty

“ I worked with Neal "Stoney" Stone for many years as a police officer and deputy sheriff in New Hampshire. He was well liked by his peers and the public, as well as the "bad guys", for his firm but fair way of doing business. We had many laughs and a few tears and I will always remember and cherish the times that we served together. May you Rest in Peace brother.
