“ Nico was a caring and fun loving person. Our families shared several wonderful times,these always included delicious food, laughter and fun.Her laughter was contagious.She will be missed. We will always remember driving to the greenhouse and Olivia bringing her a cold drink. We would share a snack and look at all the beautiful flowers she helped plant. She gave me a special name and she will always have a special in our memories. The Moore family

“ One memory was when our mother ,Olivia, would pick up a cold beverage and we would drive to McKenna 's green house. Once there we would see Aunt Nico, she would greet us with a smile and a hug. She was happy to see us and we would get to see all the beautiful flowers. She would show us the baskets she helped put together and tell us the specials sales that week. We always looked forward to this outings. She loved all plants and grateful that she could work doing something she loved. She had a great sense of humor and a contagious laugh. Aunt Nico lived life with a happy heart. We are grateful for all the wonderful times we had with her and Uncle Valen. When we see an A&W, the memories flow of times spent with them. She had a way of making everyone feel special .We will miss her. Elizabeth And Soraya
