“ *Kayle -*

Jon and I are so sorry to hear of your losses - both your Grandma and brother. We have been thinking of you during this difficult time, but are unsure how to contact you... We'd love to see you while you're in town, but realize the grief and despair that you are feeling right now. If you need some time away, give me a call and I can meet you or you can visit us in Scottsbluff.

Again, we are so sorry for your loss...

“ *We were so happy that Aunt Norma got to attend our family reunion in July. She said she enjoyed seeing everyone and would not have missed it for the world. She spoke of so many plans she had for the rest of the summer with her garden and all. It is so sad that this all has happened. I have been thinking of both you Kay and Keith since I first heard and I'm so sorry. Love, Crystal*

“ I remember, as a child, seeing Norma and Robbie whenever my family visited Lingle. After nearly twenty years, I was able to reconnect with Norma in 2005. I treasure the conversations that I had with her on my visit. I will never forget her smile and was touched by her thoughtfulness. I truly feel that this world would be a much better place if it were filled by people who were even half as wonderful as Norma. I was very saddened to hear of her passing, but am very appreciative in having the opportunity to be graced by her presence.

I offer my deepest sympathy to Norma's survivors.

“ *Kay & Keith:*
I am so saddened at Norma's sudden death. I remember her with great fondness when I was growing up in Lingle and I recall how patient she was with me as a young child when she was my piano teacher. I have memories of her taking measurements and sewing outfits for Kay, my sister Connie, and Sandy Paules (among others) for their performances at the annual Lingle Firemens Ball. She had tremendous patience and a great sense of humor with all those gals too!! And she made the bestest Toll House Chocolate Chip cookies in all the world. I still have my recipe for those cookies that she gave to me. She was a fantastic lady. She will be missed. God Bless you in healing the hurt in your hearts. Charm "Charlinky" (Stratman) Friedlan

“ There are no words to let you know how saddened we are by the loss you are suffering. Please know you are in our prayers. May the Lord give you strength to go one day at a time. We will continue to keep you in our thoughts and prayers. I saw Norma downtown not too long ago and thought what a remarkable lady. She was so interesting. It brought back memories from so many years ago when I was a kid and played with you Kay, when you lived down by Grandma Marie, remember? Literally, many lifetimes ago. Then Jamie and Robbie became friends as little boys and played together also. We really do have many connections, even if we have not been close in recent years. We are here on Main St. if you just need a friend. Again, our prayers are with you. Randy, Barb and Jamie Adams

“ I remember all the patience she had with all us girls and she never got mad when we continually made mistakes like sewing the wrong sides together. I can remember the teasing I got from her when I got the mumps and she said that I was just trying to get out of finishing my apron. My prayers go out to you all because she was a wonderful woman.

“ *"Katie-did" and Keith,*

I am so very sorry to hear about your Mom. I remember Norma with great fondness and my memories bring smiles - piano lessons, sewing classes for 4H - I remember her humorous response when Kay and I were sewing a 4H project and Kay sewed her finger! Many more memories of her as class mother for the class of 1966, & the support she was always ready to give. I can clearly recall her funny little giggle and the way she would wrinkle her nose and cover her mouth when she laughed. Precious times of growing up down and around the block from both of you and the teasing Keith gave me. May your good memories of bring you joy, may the care of family and friends bring you comfort, and may time, prayers and God's love bring you peace.

Much love, Connie
