“ *So very sorry to hear about Aunt Jean. My late mom was her twin and so she was always someone special to us. I am glad that she stayed in her own home to the end. She always said she would. Never doubt Aunt Jean! My condolences to Linda, Glenda and their families and all of Jean's many friends. I so sorry I can't be there to celebrate her wonderful life but I send thoughts and prayers.*

“ Our condolences to Norma Jean's family and friends. We didn't know her personally but we know her daughter, Glenda. Glenda shared so many stories about her mom that we felt we knew her. Glenda, our friend, must be a reflection of her mom as they seem to share so many good qualities. We know you all will miss her so much. - Donna and Michael Ramage
