“ We were Norman's classmates of 1954. We went through school with him. He was at a class reunion about 10 years ago. Only one he attended and we were hoping he could be at the alumni this year. Class of 1954 was a very special class. And Norman was important member of that class. Blessings on his family.

“ Colleen:

*So sorry to read about Norm in the paper today. The struggle with his health is over, but we know the pain of his passing will linger with you for some time. We will pray for your comfort and perhaps can stop by sometime. We want to help if there is something. God bless you during this time.*
