“ To Don & family- I am so sorry for your loss. It has been a long haul for all of you and you know I totally understand. While Pam & I have stayed in touch a lot since you moved to Wyoming; we always knew when something was wrong and would call each other to commiserate!

Pam & I spent many, many hours together when we both drove school bus in Middleton. Everyone always laughed that while we were about the same height- when we shared a bus for a kindergarten route- the seat always had to be adjusted one way or the other because we couldn't reach the pedals after the other one drove. We frequently took activity buses to wrestling matches and track meets and would either be cheering kids on or just sitting in the bus visiting. One of our favorite things to do was run to Jacpot on a Sunday just to get away! I have missed that for sure.

Our girls Donna & Heather were best buddies as well and their children started coming along at about the same time. How time has flown!

I will always be here for all of you; stop & say hi anytime.

To Donna & her family- you know I'm always just a phone call away!
Love you all
