“ To the family of Pauline.... I am so sorry to hear of the loss of my favorite lady Pauline. I worked in the kitchen and dining area at the care center she was at. I recently lost my father and had to quit my job for his care prior to his death so I hadn't heard of her passing. I went to the care center tonight to visit her specifically... I was so sad to hear she wasn't there and that I had missed her service. Your mom and I had a genuine connection—she indeed was a beautiful empath. Pauline would grab my hand and I'd cradle her shoulders... she felt the pain I was going through with my father's newly diagnosed illness—he only lasted two months after we found out he had cancer. Your mom was always so happy to see me and would tell me she prayed for me and loved me. I just want you all to know how much I thought of her... she was a sweetheart and o will never forget her kindness! God bless you all!

Thank you, Brooke, for the lovely tribute to Mom. It was very special to us as you captured her essence perfectly. Even at the age of 94 and suffering serious medical issues, she cared deeply about others and was always a willing listener. Your gracious words speak to those who knew Mom and experienced her kindness.
I am so sorry for the loss of your father. It is never easy to say goodbye to our loved ones. I'm grateful that Mom eased your pain even a little.
God bless you, too.

“ Barbie and family, I’m so sorry about your loss. Pauline was always so kind and thoughtful. I too, have many fond memories picking up our mail at the Huntley Post office. I was always greeted with a smile and a nice visit. At Christmas Pauline would share her wonderful red velvet cake with our family which was delicious! I also remember how faithful both Jim and Pauline were in attending numerous school activities at Huntley showing their support. I’m so sorry I was unable to attend the Pauline’s service. God bless you and your family.

“ Nan, as I knew her for most of our friendship, was a rare gem. I met her son Jim when we were going through Navy flight school in Pensacola in 1974. He and I just hit it off and became lifelong friends. He was that brother from a different mother. Any friend of Jim’s was a friend of hers. I was even P.O. Box 5 in her Huntley Post Office. She knew our family as Josie and I had described them to her and was a dear, caring friend. Even though Barb had tried to set her up on the computer, writing a letter was her preferred method of communicating. The few times I wrote her, she quickly responded. Any time I was on the road and within 500 miles, I felt obligated to drop in and enjoyed every visit. Our last time was this past August. Even though she had declined from the previous year, she rallied and made us feel as welcomed as ever. She was a dear soul and I’ll miss her. Blessings to her family.

“ I remember Pauline so vividly. When visiting my Grammie Lois Otis, she and I would go into Huntley daily to get the mail in the '70's and '80's. Pauline was always so friendly and cheerful. She was a treasure.

“ *Pauline was a beloved wife and mother. I have the privilege of knowing her, husband Jim, and son Jimmy. She was a rabid US Navy supporter of the Academy and sports. Loved being a Navy Mom. She always had time for a visit in her “pink” kitchen. Her son Jimmy told me of her cleaning routine at home, awakened by the vacuum before the Post Office opened. She loved her family dearly. I will miss her however joyful she is now reunited with her two Jims. With deepest condolences,*
