“ We were very sorry to hear of Phyllis passing away. I remember her from when I was real little since my uncle, Joel Teeters, married her sister Norma. I remember her as always being happy with everybody. She will be missed by all.

“ I am so sorry to hear that Phyllis has passed away. She had such a genuine joy about her, and a truly infectious laugh. I remember as a child spending so many times with her, Glenda and Lee Ann and always having such a good time. As an adult, with her and Birdie at my parents house and at their farm. Phyllis will be sadly missed an incredible amount, but definitely will be remembered with great joy. My thoughts and prayers for you all.
