“ I will sorely miss Rad's infectious laugh, stupid jokes and his reference to me as "Toddly". It was always a treat when I was in the same group as him in golf tournaments,(so much fun!). Also it was a honor to help him and Karen build their dream home, He will be missed by so many. Todd Hoff

“ Rad was one of those people that you couldn't help but love. He sold a lot of real estate thru our office (Premier Properties). We all loved it when he stopped by our office to check in and see what was happening. I remember he was always chewing gum and called me "Babe". He always had a couple of dogs out in the suburban hanging out the windows. He had a big personality and we will miss him. Julene Asmus
