“ Dear Haas Family,
Please accept my heartfelt condolences for the loss of your dear loved one Rebecca. Although I never knew her personally, I have lost loved ones in death and I know how it hurts. I also know that there's probably nothing that I, nor anyone, could say that would soothe the pain that you feel. However, may you find comfort in the knowledge that our Heavenly Father has lovingly promised to reunite us with our dead loved ones by means of a resurrection right here on earth in paradise conditions that will be filled with love, peace, happiness, and perfect health for everyone in the very near future. (John 5:28,29; Psalms 37:9-11,29; Isaiah 33:24; Revelation 21:4) May this precious hope, along with loving and treasured memories of Rebecca, bring you a measure of comfort during this most difficult time. Rest assured that God will do all that He has promised. (Hebrews 6:18) My deepest sympathy to you.

“ Roger and Casey, I am so sorry to hear of Becki's untimely passing. I will never forget how she invited me to Easter dinner with her and Roger, because i was alone, that is the Becki I will always remember. We became very close friends when we worked together as case mgrs at Magic City, we could talk to each other about anything and she was the most compassionate and caring friend I had ever had. She was that way to anyone she ever met! Roger and Casey, she loved you so very much, and I know she is in God's arms and no longer in pain (even though I don't know what happened to take her life) You know she will always be with you, watching over you and in your hearts. I pray for God to comfort you during this most difficult time in your life. I am here if you need me, just call

“ I was friends with Becki for most of grade school and high school. Becki had a zest for life and was a lot of fun to be around. I "think pink" when I think of her. She loved the color so much that just about everything she owned was pink. I will miss her and my thoughts and prayers are with her family and friends.
