“ My dearest brother, I am so going to miss you. Even though you were in Denver for medical appointments, we spent time shopping, eating out, watching TV and going to movies. Thank you for traveling with us. I know you always enjoyed yourself. I will have many fond memories of spending time with you, but my heart is heavy. I want to have one more 4th of July at your house, in remembrance of you. You were an awesome host and **EVERYONE** loved going to your house and spending time with "Uncle Rey." You are free of pain and with dad, mom, Richard and Consuelo. Heaven gained another Angel. You are with the Almighty. I love you.
