*“ I remember the day John and I came to your home to talk to Dick about building our house. He drew up the floor plans in a day! We loved our home...and you were both the first people we met in Lingle. Dick was an amazing man...always a smile...and a good visit. We were neighbors for a few years...couldn't ask for better friends and neighbors. Our son, Kevin, worked for him one summer...Kevin was hammering a nail... Dick said.."Son..let me show you how to use this hammer!"... We still laugh about that.! Sending warm wishes to your family...in deepest sympathy.
