“ Richard has been a friend to our family for years, We had to smile when reading his obituary about driving the ile lines in Sioux County, brought back many, many memories of the hours we used to spend doing just that with him. He was our oldest brothers friend and just went down the family to the youngest. He was definately "one of a kind". My sister, Becky, who was a great friend to him, also passed away and my thoughts were that now they can reunite in heaven, have a great reunion you 2. Thanks for the great times and memories.

“ Rich was one of the first people i met after i came to this area. I met him through another friend but we soon became very close friends. It was because of Rich that i got involved with the fire service, and now I am an officer and vice pres. of a fire dept, not to mention a full time medic. I owe a lot of it to Rich. He was more than a friend to me almost like a brother. Gonna miss ya Rich. Heres to ya!!
