“ I'm so sorry that this happened, Kayle. I hope that you will gain some peace in hearing from others how special Robert and your grandma were and that your loss is shared by many.

I haven't seen you in a long time and I'm sure you are doing well. I have a lot of fond memories of Job's Daughters and of my friendship with Robert. I am thinking of you and wishing you the best.

“ There are no words to let you know how saddened we are by the loss you are suffering. Please know you are all in our prayers. May the Lord give you strength to go on one day at a time. We will continue to keep you in our thoughts and prayers. Jamie and Robbie became friends as little boys and played together. That was so special since the Beers family had been a part of youth also. Remember you are in our prayers and we are here on Main St. if you need a friend. Sincerely in Sympathy and Friendship, Barbara Adamsd0

“ I'm very sadden to hear of your loss. I went to school with Robby at Lingle and share his passion to create. I was always so amazed at his ability to draw and his incredible ideas. I enjoyed his friendship too.

“ Kayle -

Jon and I are so sorry to hear of your losses - both your Grandma and brother. We have been thinking of you during this difficult time, but are unsure how to contact you... We'd love to see you while you're in town, but realize the grief and despair that you are feeling right now. If you need some time away, give me a call and I can meet you or you can visit us in Scottsbluff.

Again, we are so sorry for your loss...
