“ *Grandpa-*

You will be greatly missed by all who knew and loved you. I will cherish the time that I had with you; your knowledge and love of hunting, fishing, and outdoors that you passed on to me will be passed on to my son and many more generations to come. You were one of the wisest men that I have ever known. I don't recall ever asking you a question that you did not know the answer! Rest in peace...you are no longer suffering. We love you.

“ *Bob was such a wonderful neighbor; we're really going to miss him. He was a kind and gentle man. We enjoyed watching him doing yard work, gardening, and getting ready for his many hunting trips. He maintained his health and independence up until this past year, which you can be thankful for. Our thoughts are with you three girls and your families during this sad time.*
