“ We are so sorry to here of the loss of Bob. I can remember when we were little and our families would get together on Sunday afternoons. You had a big dog, I think his name was Duke and he was always at the gas station and I was scared to death of him But that is were we would hang out until your dad would close. I am sure your mom and dad are happy together now. Please know you are in our thoughts and prayers. So sorry we cannot be with you at this time. Please take care and keep in touch.
