“ We would like to express our deepest sympathy for your loss. The loss of someone close is difficult to bear. It is our hope that you know that we care. The Bible brings sure comfort for all the ones we have lost and answers such questions as: Why do people grow old and die and What happens to us when we die? God promises a time when death will be no more and this is found at Revelation 21:4 which reads: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourn nor pain anymore. The former things have passed away." I hope this brings you some comfort.

“ Our family has known Bob's family all my life, but I really got acquainted with Bob the last few years on July 4th. and Labor Day celebrations at Lone Tree Canyon. It impressed me when Bob told about, when he was really young, my Grandfather on my Dad's side came to visit us. He came into Yoder on a bus and met up with Bob's Dad, Clyde. Clyde asked Bob to take him to our place. He told how excited he was since he got to drive him to see us. I went to school with some of his relatives and they always had good words for Bob. He will be missed by all.
