“ Dear Cliff, Patty and Dick and Linda,
Marilyn and I have been out of town and were saddened to learn of Robin's death upon our return home. I first met Robin as a student and thus we were acquainted since her school days. It was always fun to see and visit with Robin at Lira's, etc.
Robin was truly heroic with her health problems and in her determination to live life.
Sincerely, Verle Punke

Robin was like no other. She was a genuinely good woman who had a way of being nice even when her day wasn't particularly going that well. I don't know anyone who didn't like Robin or would not say something nice about her anytime she was mentioned in conversation. She underwent a far greater challenge with her medical condition better than any of us ever could have. She traversed that challenging road with an upbeat attitude and grace. Robin, I am blessed to have known you for all of these years. We all have been blessed to have had you in our lives! Rest in Peace.

Sending my deepest sympathies to you - Richard, Linda, Ryan, Patty, Cliff and your families! Robin was such an inspirational young lady and such a strong fighter. She will be missed by all of us but I know that she went directly to Heaven and is smiling down on all of us. Her pain and suffering is no more and her strength of fight, her joy and love of life are what we will remember. I am sure that she has been found by Shelley, Jo, Shirley, and Grandma Wilma and they are all rejoycing up there. Take care, wish I could be there (I will in thought), and God bless all of you.

“ *Patty, Cliff and family. I was so saddened to hear of Robin's passing...i know you all have been through so much and Robin was a brave champion in her fight for life....i saw her often when my mom was having dialysis as they had it at the same time...she always seemed upbeat and was so sweet and kind....i am sorry she had to leave at such a young age..i am sure the only real comfort you all feel is knowing she has no more pain and that she and Shelly have been reunited... much love and ((((((hugs)))))) If i can do anything for you, please don't hesitate to ask.*
