“ Rosie was a wonderful person and she will be greatly missed. I will always remember her sitting in her favorite spot in church smiling at everyone. She was my Sunday School Teacher and taught me many many things on how to live my life. I know that she is in heaven looking down and smiling. -
God Bless.

“ Growing up my family was lucky to have my Grandpa and Grandma just down the road. It doesn't seem all that long ago that we gathered for different holidays and occasions such as a picnic using that over-sized picnic table, with them in their lawn chairs, in the shade of the trees that lined their yard. It was always a good time, with good things to eat and candy in the "lolipop" box. I will always appreciate the interest that Rosie took in me and felt her support as I grew up on the farm all those years ago. For the patch-work quilt dog pillow that I took with me to college to the love of different German foods I still have today, I thank my Grandma Schmick. We're sorry not to be there for the services, but you are all in our thoughts and prayers.
