“ Aunt Ruby was always a sweetheart to be with. I spent most of 2 summers when I was a teenager with Uncle Jim and Aunt Ruby. She was always helping someone (me a lot) or being loving and friendly as only she could be. Uncle Jim (my mother's brother) knew without a doubt that he was blessed with a wonderful wife, helper, and best friend in Aunt Ruby. I have nothing but good, loving and sometimes funny memories of Aunt Ruby. She loved Uncle Jim and anything that he drug in like a nephew from Missouri.

“ Aunt Ruby was my mother's twin sister Ruth and we naturally fell in love with Ruby, she was like a mother to us also, her voice was so much like mom's and after we lost mom, I would call Ruby on her birthday each year and it was like calling heaven to talk with mom.

The twins are now "Together Again" !

All our love & prayers,

Virgel & Frances and family

So sorry our health does not permit us to be with you in person, but we are with you in heart and spirit.
