“ *I may not be able to make it down for the celebration of my beautiful aunties life but I want to let her children know how much I loved and appreciated the woman they were lucky enough to call Mom. She graced my family's kitchen with her sisters on multiple occasions, just to sit and talk with my mom. What I remember most is the laughter, they just got a kick out of each other. Your mom was always gracious, kind and what impressed me most... just fun! She loved life, she delt with tragedy and loss and weathered it. Tiny but mighty! I'm so blessed to have her in my memories and my heart. My love and good thoughts are with you all. Lil Millin*
