“ *My deepest sympathy to mommy and daddy and sister. You are an angel now and will always watch over your loved ones. Rest in God's loving arms. I'm sorry that I never got to meet you in this life. Your Great Grandmother Karen Layton.*

“ *I remember the day when went went to the bowling alley in Scottsbluff and you just enjoyed drinking your juice and eating cake. That's why your tongue was all blue. Then you would go down and tried getting a bowling ball till I stopped you cause those things are just so heavy. I enjoyed the time I had with you and will miss you but you got your wings so fly high with pride little man and always make sure your mom knows your with her. This is only see you later this is not a good-bye. R. I. P Salem!*
