“ Dear Ken and Family,
Oh behalf of my family, I send you our heartfelt sympathy and prayers. We are so sorry to hear about Betty's death. I so remember, as young families, spending time with you, Betty, and the girls. Those were special times! I also appreciated seeing Betty at the Western Nebraska Research Center when I've stopped by there in recent years. Mom was thrilled to see you and Betty at the Nebraska State Genealogical conference awhile back, at FARM for the banquet. Our love and prayers remain with you and your family during this difficult time. May you feel God's love, peace, love, and strength in the days, weeks, and months to come.
In sympathy,

“ We offer our condolences to Betty and her family. We are sure she is in a better place and still researching her family tree. She is a long time friend to us and the Vance family. The Hawk Springs community will miss a strong supporter of that community. We will miss Betty but there will always be fond memories. Peace and Hugs to Betty's family from us.
