“ *Sally was a very strong person who spoke up for what she believed was right. She earned my respect as a leader and was a positive role model. She had many accomplishments; her family should be very proud of the footprints she left behind. My thoughts are with them at this time.*

“ *We will surely miss Sally a lot. She was an unforgettable character. I remember her pointing out that the figure in little window donated by her family over the altar @ All Saint's appeared to have her father's cigarette in the figure's hand. I have often thought of that as I have gathered around the altar for communion. God Bless her. I know she is happy in heaven.*

“ *Sally was quite a woman! She was such a leader and forward-moving person and we enjoyed her both at church and with the Republic Party while we lived in Torrington. It really is the end of an era with both she and Wayne gone. Our condolences to all the family.*
