“ Sharon & I belonged to several bridge clubs together through our retirement years. But during our professional years we were not involved in other activities but raising our families and mutual school sport events. I held Sharon in high regard. We discussed our grandchildren and all their accomplishments, she was patient with me as I continued to broaden my bridge skills, cheerful, empathetic, trustworthy, funny, etc. An outstanding lady who has left her loved ones and friends a legacy to admire that will travel through future generations.

“ Sharon And I made so many good memories it's very difficult to pick one. We golfed, cooked, gardened, helped each other thru thick and thin. I think she helped me more thru sadness and happiness than I Ever did her. My best friend and sister I never had...I will miss you dearly.
