“ Mike and Dee,
Our hearts go out to you and your family. Unfortunately we do know how you feel. If you ever need a shoulder to cry on our someone to listen to you know where we live. Nothing seems right in the world when you have to bury a child but with God's help you will get through this. You'll look for answers as to why this happened but the answers don't come right away. I only met Stacy once when she stopped to pick up the books I borrowed but she seemed like a very friendly, vivacious and a very helpful person. God bless you all as you navigate through time.

Sincerely,
Gary and Marilyn
