“ As a fellow classmate who experienced unexpected pregnancies together, I always kept you & Sabia in the back of my mind. My heart breaks over the loss of each of you. Heart of gold & care with a splash of hard truth were the best qualities. You will be missed my dear. Fly high ladybird.

“ *Stacia was my co worker at DSI and we worked in the same group home. We shared many laughs and plenty of tears together. Last time I seen her we just hugged each other tight and cried. She was special to me and did so much for her family and as we called them, our guys at DSI. I think her humor bonded us as she always made me laugh and her warmth kept us close at heart. I will never forget you my beautiful friend. Rest easy... Vonnie G.*
