

Suzanne Quinonez

June 17, 1959 - May 18, 2020

Suzanne Marietta Quinonez, 60, passed away May 18, 2020 in Torrington, Wyoming.

Due to the current health crisis, the family will be having a private burial.

Condolences may be sent to family at www.colyerfuneralhome.com

Suzanne was born to Arnold and Maria Quinonez, June 17, 1959. They lived for a short time in Nebraska and in 1971 they moved to Torrington, WY, where she grew up on Park Lane Drive. She graduated from Torrington High School in 1977 and continued her studies at the University of Wyoming, where she received her Masters in Library Sciences and Education. She worked for the Denver School District and finally came home to work as a School Librarian at Southeast K-12 school. She was very active at St. Rose Parish as a member of the Guadalupe Society and recently a member of the Parish Counsel.

To all who knew her, she was a kind, generous, knowledgeable and funny person who knew a song to sing for any occasion. She had an appropriate movie quote for any situation, and was totally obsessed with "The Wizard of Oz". She was known to her students as Miss Q and to all her family as Aunt Sue. Her smile and ever-present laugh will truly be missed.

She was preceded in death by her father, Mr. Q and Aunt Carmen.

She will be missed by her Mother, Maria; her sister, Adrianna Gmeiner (Lee) their children, Julia Loepky (George), AnnaLisa and Joey; "just like her sister" Denny Loya (Julio), and their children, Kaleb, Emily and Haley; Aunt Chris and Aunt Rose; too many cousins and students to name. Goodbye Sis -

see ya Somewhere over the Rainbow.

“ Suzie was a kind, loving, person. We went to St. Rose of Lima Church and there was NEVER a time when she didn't smile and wish me hello. She worked in Goshen County School District with me. She is a great lost to us. She had heart. I know without a doubt she is with God in Heaven. I am sad I didn't get to see her one last time.

“ We send our love and prayers and sincere condolences to her mother Maria, sister Adrianna, and all extended family members. Suzanne was an amazing person whom we held in high regard. I (Karin) was fortunate to have been one of her colleagues in the educational system along with her mother. Oh, what fun we would enjoy after school conferences in Denver. I remember being introduced to the “Crab Shack” with lots of amazing food and a meal full of laughter.

“ Our thoughts and prayers are with Sue and her family as they navigate this unexpected loss. She will be missed by all who knew her, especially the media specialist who worked so closely with her. Her expertise, knowledge and unwavering kindness will be missed. She was a true friend. Her impact on the life guarding community is always present. Her ability to train life guards and teach them the true value of their job had a huge impact on our daughter. Sue is smiling down on us all. God Bless her and keep her in the palm of his hand. “ We are so very sorry to hear of the loss of Sue, her family is in our thoughts and prayers. She was absolutely amazing, and my kids and I appreciated her calm, friendly personality. She was my daughter's first swim instructor upon our move here, and I so enjoyed our visits at the pool. She went above and beyond for her library students; I am grateful for her efforts in always having a suggestion for that next great book for my daughter, I know she cherished those times with Miss Q. I will miss our daily waves on our morning commutes to work and her humor on Facebook. ❤️

“ *I am saddened by the sudden passing of Susie Q. She taught my two kids to swim when we were in Lingle. She was a friend of my entire family, and came to our house in Aurora if she couldn't get home for a Holiday. We all loved her and were extremely grateful that she was in our lives. I will cherish our last phone conversation last week. Bless you all in the loss of you daughter, sister, aunt, cousin, teacher and friend.*

“ Dear Mary, Edie and family -

I am sorry to hear of the passing on of your beautiful Suzanne. Of course at a time like this memories come flooding to the surface; mine are of her as a baby and little girl. I adored babysitting her as she was always a perfect baby girl. I enjoyed watching her grow into the fine person she became, with her gentleness and good humor, like her Mom. My love of family and friends and warm memories ease your sorrow.

Wishing I could be with you at this time and sending you my love and sympathy.

“ Suzanne - Denver Public Schools and especially all of us at Fairmont, were so lucky to have you for our librarian. Our kids, their families, and all of us loved you. Your quiet competence, flexibility and sense of humor were so very valued. Your family is lifted in prayers now and in the days to come. Rest In Peace my friend.

“ Ms. Q was the librarian at Central Elementary in Bloomfield, N.M. for several years. We became good friends. I learned so much from her! I was supposed to be her mentor, but she mentored me. I will miss our conversations where we would talk books for hours. Go with God my friend.

“ Sue was the best librarian. She found books for her students and any other information they craved. Sue was the best storyteller. I would stay with my class while she told a wonderful tale or recreated a story for them.

My first graders in Bloomfield, NM and the rest of Central Primary School just loved her. We were very grateful to have just an accomplished teacher, librarian and leader. Sue and I went on many trips to Hawaii, Disney World, New Mexico and Colorado destinations. We enjoyed TV shows, movies, concerts, and other musical attractions. She was a best friend and we shared many memories. I will miss our weekly telephone calls.

I am so sorry, Maria and family, for your loss. I know she was a great daughter, sister, and aunt. She would share wonderful stories about all of you. I felt that I knew you. May God Bless You all and Keep You in His Care.
