“ We’re so sorry for your loss. Terry leaves behind many fond memories that can brighten your day when you’re thinking of him. As we look forward to the time when we’re reunited again with our loved ones, think about what you’d like to say and how big the hugs will be. My family loves reading about this hope at [jw dot org](http://jw.org). May the God of comfort bless and guide your whole family now and in the future.
