“ So very sorry to hear about Terry, may the peace of God comfort you all during this time. Some of my best times with Terry were when we went fishing or hunting, I don't know anyone who got as excited about fishing or hunting as Terry, his joy for them was contagious. He truly loved his family and during our conversations you could hear his passion for each one, what an example of a great husband, father, son, and brother. I can honestly say that Terry will always be one of my best friends, we always had fun together. God Bless you all. Tim and Cathy Hancock

“ Our deepest sympathies to Terry's parents, Mary and kids. Terry will be greatly missed by our family. He always took the time to visit with us when we ran into him at high school sporting events and UW football games. We have very fond memories of Terry at UW. Mark, Terry and Tim Hancock were college roommates. I will never forget when a semi truck full of potatoes rolled on I-80. Tim and Terry went to the site and picked up every potato they could find. Believe me, 300 lbs. of potatoes went a long way in college! He was a dear friend and our hearts ache for you. Mark and Becky Dooley

“ *Dear Mary, Landon, Shane and family,
We cannot fully express our shock and sadness in learning of Terry's death. I will always remember Terry for his deep love of his family. He was so proud of you boys. I can remember when Landon had his tonsils removed. Terry and Mary stopped by our home to see how Markie had done when she had hers removed. Terry and Mary wanted to do their homework to make sure Landon was going to be okay. A small example of his devotion. He was wonderful to do business with, too--a real community guy. I can picture him driving around in his little pick-up thing. Our hearts are breaking, not just for you, but for us as a community, too. Please know you are in our thoughts and prayers.*
