“ Can I share another memory? She always had a special knock when she visited. And we'd all yell "it's Tina!"

“ I've known Tina since my young teenage years, maybe even before. We spent many nights dragging main in her car. Playing music and singing. Tina could really sing, especially to Cher, Sonny and Cher! She sounded just like Cher!! Loved it. We drove up to Hubbard's Cupboard to the dances almost every other week. What fun we had! We played on a Weegie Board couple of times, and totally got freaked out, that was it, we threw it away! No more of that! But oh my, what a wonderful sweet caring woman! Loved her family! Loved her church. She just always had nice things to say, and loved our visit with her at Vimbos in August. So happy we got to visit!! I will miss her, Gloria will really miss her! God Bless her soul..

“ You was a very sweet and awesome lady. I will always have fond memories of when I was little and you babysat me and my siblings. It was always a fun time hanging out at your house. Even in my adult years you was always helpful when I came into the workforce center and I didn't know where to start in the things I needed done. You sat with me and helped me get through all of it. You was a great lady who was taken to soon. This is not goodbye just a see you later. Fly high and RIP
