“ *My sincere condolences to the family, I know it's been a very sad time for a long while. I have fond memories of Verna (Mrs. Canfield to all of us)--after school snacktime, sleepovers at the house, everything always in its place. Then there was the constant shuttling to and from school and extra curricular activities--we all remember the tiny woman driving the big green Chevy! She always made me feel comfortable and welcome and I will cherish those memories. I hope she is at peace now.*
